

Integrating TRP Curriculum with Respectful Relationships

About this document:

This is a guide designed to assist teachers planning to deliver TRP curriculum in conjunction with the department of education Rights, Resilience and Respectful Relationships (RRRR) resource.

We have identified which activities in the RRRR resource compliment each TRP lesson. Please be aware that we have tried to identify all the opportunities for integration so some of the RRRR activities are repeated in several lessons and across year levels. Teachers can then select at which point they would like to complete the RRRR activity based on their individual planning needs.
